

## REMARKS

Claims 6, 13 and 19 were objected to as being dependent upon a rejected base claim (i.e., claims 1, 7 and 14, respectively). But, these claims were indicated to be allowable if rewritten in independent form. By this response, these claims have been amended to independent form. Further, the dependency of claims previously dependent from claims 1, 7 and 14 (now cancelled) has been changed to be make them dependent from claims 6, 13 and 19. Accordingly, all pending claims are now in form and condition for allowance.

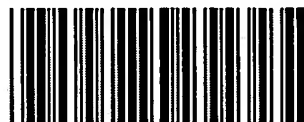

The drawing of Fig. 2 was objected to because element 224 was misspelled, and Figure 19 was objected to on the grounds that it contains handwriting that could be changed to typesetting. The proposed drawing corrections to correct these errors is provided herewith, with the corrections marked in red.

Based upon the foregoing amendments, Applicant submits that the application is now in condition for allowance.

Respectfully submitted,
